About Jharkhand Vidhigya Samagam

Chotanagpur Law College is delighted to introduce the Jharkhand Vidhigya Samagam, a platform dedicated to the exploration of the historical evolution and development of law and inter-related disciplines in ancient India. With a specific focus on the deep-rooted connection between law and the Vedas, as well as other early religious texts, this gathering aims to delve into the progressive vision of law embedded within our ancient scriptures.

The essence of this event lies in the profound practice of contemplation, serving as a gateway to unravelling the intricacies of ancient Indian legal thought. By bringing together legal scholars, practitioners, and enthusiasts and academicians, the Jharkhand Vidhigya Samagam seeks to shed light on the foundational principles of law that have shaped our society for millennia.
